## Message From the Administrative Team

It is hard to believe that May is already here! Everyone is beginning to enjoy the sunshine and warmer temperatures after a long and snowy winter! While we know that summer is around the corner, staff and students at Jeanne Sauvé continue to keep the focus on working hard and doing their very best each and every day.

This month, the Thames Valley District School Board launches its celebration of public education. This is an annual event held by school boards across the province of Ontario and serves to showcase the wonderful things that are happening in public education. It is also an opportunity for students, teachers and parents/guardians to acknowledge teaching excellence and student achievement. This year's theme is Moving Forward.

Staff and students at Jeanne Sauvé have shown amazing resiliency this past year. We have seen all of our students lead with their strengths, embrace what they have learned and continue to work together to build a fantastic learning environment. Please keep an eye on our twitter account for evidence of our learning!! You can find us on Twitter: @JeanneSauveFIPS

We would also like to take this time to thank our hardworking Home & School Association for running 3 fundraisers in the month of April! Our Grade 7&8's have sold chocolate bars and popcorn to raise money for Graduation. Cinnabon certificates were also sold to raise funds for the entire school. The Cinnabon certificates have arrived and have been handed out to students. Be sure to check your child's backpack if you participated in this fundraiser. As always, we thank you for your support!
