Administrator Message:

Happy March! It is hard to believe that we are already well into the New Year 2023! Students started the new year ready to go. They have been busy and are hard at work. We have all been enjoying the recent Winter weather and appreciate parents sending extra mittens and dry socks for those days when things get wet. With all the snow and wintry weather we have had lately, we would like to thank you for exercising extra caution when dropping off or picking up children.

As many of you have noticed, there have been many opportunities to support our students with the fundraising that they are doing. We are very happy to report that our fundraising goals for our Music and Year End Grad trips are well under way. Your support with the bake sales, candygrams, popcorn and other efforts is very much appreciated!

Our Family Literacy/Numeracy night was a big success! Thank you for your ongoing support as we continue to ask our community to join us in the learning that we are doing. Also, the attendance for our movie night was incredible. Thank you to all the families that took the time to say hello and the positive comments about the school and staff. We would not be able to put on these events without the support of the School Council and the Home and School Association. Thank you again!

We hope you enjoy a fun and relaxing March Break with your family and friends!

Upcoming Events

April 6	Pizza Day
April 7	Good Friday—No School
April 10	Easter Monday—No School

Save the Date Spring Concert April 14

Mme Abbey and students in Grades 4-8 are preparing for the Spring concert, coming up on April 14 at 11:00 am.

Stay tuned for more details closer to the event!

Our second Book Fair will be held from March 27-April 4 and our Family Night will be March 28 from 4-6. This Book Fair will feature primarily French books so that our students can continue to build their reading skills in French with books to read at home. Students will have the opportunity to preview the sale before bringing in money for a second visit. Teachers will have wish lists posted in the hallway for any families who would like to help build their child's classroom library. Thank you so much for your support!

Our school has been participating in an "Inclusive Libraries" pilot project within our board this year. As part of this initiative, Mme Deagle is highlighting the dual language books in our collection and hoping to add more. Did you know that there are over 30 languages spoken in the homes of our Jeanne Sauvé students? It's amazing! If you have any picture books in your first language that you would be willing to donate to our library, it would be greatly appreciated. Students have been actively signing out the books we have in our collection, but we would love to provide more choice for them! Thank you for your support!
