Message from the Administration:

There is a lot to be grateful for as we move into December and the Holiday season this year. There is a sense of excitement in the air. Our spirit assemblies have been a big hit and are boosting confidence in our learners as their abilities are celebrated in a positive and supportive way. Our Jaguar Paws celebrate students daily! As always, we continue to encourage the spirit of giving and supporting others that exists within our school community.

November was a very busy month at Sauvé. Thank you to our students for demonstrating such care and pride while taking part in our Remembrance Day service. Basketball for our intermediate students returned and we were excited to hear our students training in the gym and travelling to different schools. Special thanks to M. Stone, Mme Langham, M. Muth and Mme Morton for volunteering their time and skills to coach our teams.

We are currently running a Food Drive until December 20. All donations will support St. George's Anglican Church. St. George's (located directly beside our school) runs a community food cupboard which supports needs right here in our neighbourhood. We thank you in advance for your generous support.

We are excited to welcome another Scholastic Book Fair to our school from December 12-15. Be sure to take advantage of our Family Night on Thursday, Dec. 14 from 4-6 pm.

Our Holiday Winter Concert is coming up on Friday, December 15! The students are working very hard to prepare an amazing presentation for you. **Please see the details in this newsletter.**

On behalf of all the Jeanne Sauvé staff, we would like to extend our best wishes to each and every one of you for a happy holiday season. As the holidays approach, we hope you will be spending quality time with family, friends and loved ones. See you all in January!

Holiday Food Drive

It's that time of year again! We're running our Holiday Hamper Donation Food drive to support our local community.

From now until December 20th, we will be collecting:

- dried and non-perishable food items
- canned foods
- feminine hygiene products
- soaps
- hygiene products such as shampoo and conditioner

The class with the most donations will win a class pizza party! Please send donations in with your child ASAP so they can be counted and packed for donation. All donations will be walked over the church next door, St George's Anglican Church, to be distributed to those in need within our very own community. Thank you in advance for your support.
