Message from the Administration:

June is one of the busiest and most rewarding months of the school year. Our students are in the final stages of demonstrating everything that they have learned this year and the culminating tasks that the teachers have prepared are both engaging and challenging. Our grade eight students are filled with a mixture of emotions as they say goodbye to their elementary school career and hello to the world of high school. They have left their impact on our school and we wish them all the best in the future. We hope they stay in touch with us here at Jeanne Sauvé!

We would like to take this opportunity to thank our incredibly hardworking Home and School Association and School Council for their support and financial contributions to our school. This is a very dedicated group of parents who want to make a difference for all of our children.

Our Fun Fair was a huge success and we want to thank all of the volunteers who worked so hard to make this fundraiser a success. Thank you also to the families that came out to enjoy the great food, fun games and amazing baskets.

June is also a time for us to say good-bye and thank you to some of our staff members who will not be returning to Jeanne Sauvé in September. Their contributions to the school community have been extraordinary and we will truly miss them.

Farewell from the Staff at Jeanne Sauvé!

We would like to take this opportunity to wish our students and their families a safe and happy summer. We hope you all have a chance to relax and spend time with family and friends.

As a reminder, the Jeanne Sauvé office will be closed from June 29, 2024 to August 25, 2024. We will reopen on MONDAY, August 26. If you have an urgent matter, please email the school at jeannesauve@tvdsb.ca. Emails will be checked and answered on a weekly basis.

Staff Farewells

As always, there are farewells we need to make at this time of year to staff that have made a positive impact in our Jeanne Sauvé community.

Mme Douglas: Mme Douglas has accepted a position teaching a primary class at Louise Arbour French Immersion Public School. Even though Mme Douglas has only been with us for one year, we will miss her greatly! We have appreciated her calm and caring ways and the positive impact she has had on our school. We wish Mme Douglas all the best as she begins this new chapter in her career and we hope that our paths cross again.

Mme Peters: Mme Peters has accepted a position at Beal SS, supporting students with Autism. She has been a constant presence in the halls and classrooms of Jeanne Sauvé for the past 11 years, always ready to support students and staff. Her kindness and endless patience will be greatly missed here in September! We wish you all the best in the next stage of your career, Mme Peters. We'll miss you!

As always, our school year would not be able to run without all of the interim staff members that filled in for our permanent teachers who were unable to be with us this year. A big MERCI to M. Duncan, Mme Fraser, Mme Langham, Mme Nixon and Mme Roddick. Some of these teachers were here for a few weeks or months, while others spent the entire year with us. Our most sincere thank you to all these teachers for filling in and becoming an integral part of the Jeanne Sauvé family. We will miss you and hope that we have the opportunity to work together again!

We are already planning for September 2024 and we know that it will be a great upcoming academic year! Please know that we will be communicating 'First Day Procedures' as we get a little bit closer to the start of the new school year.

It is important to note that this year, SCHOOL BEGINS ON WEDNESDAY, SEPTEMBER 4.

Register to Ride!

Bus registration for next school year is now open! To schedule bus service more effectively for students, Southwestern Ontario Student Transportation Services (STS) has an **annual mandatory transportation registration process for students who are eligible for bus service**. This form does not apply to students who use specialized/accessible transportation to meet their unique needs. **Students who are using the school bus must register every year.**

To register before July 15th, click **HERE**

For all information on Bus Registration and to access translated letters, click **HERE**

Know Your Student ID:

Prior to registering, families should also make sure they know the Student ID number. Student IDs are available in the STS Parent Portal or your School Board Parent Portal.

Registration Due Date:

Transportation Applications will be closed on July 15, 2024 so that routes can be finalized before the start of school. **Families who register for the bus after July 15th may experience delays and transportation may not be in place for the start of school.**

You don't need bus service next year?

No action is required. School bus service is a shared ride environment, with multiple students using the space over the course of the day. Some families may not wish to use bus service for personal reasons. **If you are not using bus service, you do not need to register.** We understand that your circumstances may change, if they do, please fill in a registration form at that time.

The STS Parent Portal

The portal opens in late August for all families who have registered for the school bus. The portal will give your busing details (bus #, bus stop locations, times, etc.). Instructions for how to set up and login to the parent portal can be found on our website here: **<https://www.mybigyellowbus.ca/parent-portal/>**
