Message from the Administration:

Happy March! Spring is in the air! We are excited to see little reminders that Spring is just around the corner. Our yard can be very wet and muddy during this month, so we ask that you send a clean pair of pants and socks with your child each day.

As you may have noticed, there have been many opportunities to support our students with the fundraising that they are doing. We are very happy to report that our fundraising goals are well under way. Your support with the bake sales, candygrams, popcorn and other efforts is very much appreciated!

Please note that the PA day originally scheduled for April 19 has been moved to April 8, due to the upcoming solar eclipse. We urge you to exercise caution on that day! You can read more about the event [here](#).

Our Winter Carnival this year will be held on March 7th. We are looking for parent volunteers to help run our Maple syrup station and Hot chocolate station from 10:00am-2:30pm. If you are able to help out for either part of the day or whole portion we would be very grateful! Please connect with Mme. Hepburn at a.hepburn@tvdsb.ca. Volunteers must have a vulnerable sector check on file with the school office. These are fairly simple to do it if you would like to join but don't have one yet complete. Thank you for your support with our school community!

We hope you enjoy a fun and relaxing March Break with your family and friends!
